PRACTICAL GENOLOGY.—We learn that the late Jacob Gilmer (killed at Mud Hall, last Friday) had purchased a lot of land of Mr. Jacob Frederick, in East Buffalo, and had made arrangements to build upon it when he was detained by death. Mr. Frederick generously gave his widow the deed for the lot, and incurred putting up the buildings at his own expense. This generosity well worthy the name.—[Lewisburg Chronicle.]

An old gentleman from Danville, by the name of Burns, who had been on a visit to Pittsburg, returned on Saturday last, and by some misunderstanding got off the train at this place. Towards evening he started to walk over to Northumberland, and in crossing the railroad bridge, was struck by the gravel train and thrown through the bridge on the ice below, and instantly killed. He had been warned of the danger by a gentleman when he entered to cross, but heeded not the danger, and met with the consequence.—[Lewisburg Chronicle.]

MR. AARON CHESNOKE and family of this place, came very near being suffocated with coal gas one night last week. On retiring late at night the door of the stove was left open but, unknown to any one of the family, the damper was closed. About four o'clock next morning Mr. C. was awakened by a terrible headache and on attempting to get up found that he was very dizzy; and, nearly unconscious, he staggered to the door of the room and opened it. This revived him and he at once realized the terrible situation he was in. He then threw open the windows and returning to his wife and child found them still unconscious. They soon revived however, but complained of severe headache and of feeling very sick. The family are all right now but they certainly made a very narrow escape from suffocation.

NECK-TIE PARTY.—Neck-tie parties promise to be the rage this winter. Doubtless many of our readers are enquiring by this time what is a neck-tie party? A neck-tie party is one where each lady attending makes a bow, or neck-tie of the same material as the dress she wears. The bows are taken to the place where the party is to be held and placed in a bag. When the gentlemen arrive, each man must go to the bag and take a neck-tie, and it is his duty to wait upon the lady during the evening, who wears the dress corresponding in material to the neck tie which he takes from the bag. It is desirable for the ladies to all wear different patterns at such a party. Much amusement usually attends this lottery for a partner, and it sometimes occurs in this case, as in matrimonial lotteries, that the "matches" are not in accordance to taste and disposition.

On Friday night the 6th inst., the jewelry store of H. F. Harb, of Lock Haven, was entered by burglars, the safe blown open, and valuables to the amount of about \$7,000 were stolen. Of this amount there were \$270 in money.

On the same night and about the same time, the boot and shoe establishment of Oliver Donaldson, in that place, was entered and fired by an incendiary. The fire was extinguished after its discovery, but there was a loss on stock of between \$5,000 and \$4,000.

At a regular meeting of William Curtis Encampment No. 161 I. O. of O. F. of Selinsgrove, Pennsylvania, the following was adopted.

WHEREAS, The ties that linked together this Encampment with the noble Patriarch after whose name we were called into being—ties that were only severed when our eyes and tried Patriarch pitched his tent "beyond this vale of tears and sorrow," and now dwells beneath the tents of the patriarchs of old. There is yet preserved a bond of friendship, and those brotherly feelings and sentiments still cherished by some one, and held in greatful remembrance by her, was shared with him our hospitality and friendhip, and as a token of her respect, present to the Brotherhood a beautiful Past Chief Patriarch Collier.

Resolved, That William Curtis Encampment, upon its unanimous vote of thanks to Mr. C. W. Will, Curtis for presenting us with the above token of her respect.

Resolved, That the brotherhood, hereafter existing, shall and will be strengthened, that the bond that unites us may not be broken, but ever increased and held sacred, and the name of the Patriarch so the name of the Encampment we preserved for all time to come.
